PRODUCT & DESIGN EXPERIENCE

Independent Product Development – Personal Projects 2025 – Present

- **Developer & Designer:** Leveraging a tech stack of React, Three.js, WebGL, CSS3, Vanilla JS, Git, TypeScript, and Supabase to execute end-to-end product development. Projects include **music-orb** (a 3D Spotify visualizer), **Resume Editor**, and **Group Financing App**, demonstrating expertise in component architecture, data visualization with Recharts, animation & motion design, and human-centered UX/product thinking.

Design for America at UIUC April 2024 – February 2026

Environmental Sustainability Team Lead · former Outreach Chair | Urbana-Champaign, IL

- Led a 6-person cross-functional team to develop a circular economy initiative, bridging students with local donation centers and secondhand stores.
- Applied HCD principles and user research to propose a campus waste-disposal system, projecting a 20% reduction in campus littering and improved mindful recycling behavior. Managed relationships with student organizations, admin offices, and community partners to fully understand the problem and successfully advance the project from concept ideation to a formal proposal.

Commissioned Artist & Illustrator August 2019 – April 2021

- Illustrated and published the children's poetry book "**12 by 24**" through Notion Press.
- 1 of 30 local artists to design a 6ft × 5.5ft sea lion statue for PIER 39's 30th anniversary, integrating cultural and historical Bay Area landmarks, displayed publicly around San Francisco. Commissioned by the Aquarium of the Bay.

OPERATIONS & EXPERIENCE DESIGN

Jamtown CU August 2024 – Present

Lead Production Coordinator & Marketing | University of Illinois Urbana-Champaign

- Owned end-to-end operations for 20+ shows and fundraising events, managing cross-organizational coordination, logistics, and vendor relationships from scratch to amplify local musicians and causes.
- Sourced and booked 30+ local and touring acts, connecting emerging artists to venues through targeted marketing campaigns and immersive event design.

LiQuid Dreams August 2024 – Present

Art Direction & Marketing | University of Illinois Urbana-Champaign

- Shaped the visual identity and environmental experience design for electronic music events. Curated promotional material and physical installations to create distinctive, immersive atmospheres.

PROFESSIONAL EXPERIENCE

Overtime Athletics Sacramento June 2025 – August 2025

Head Coach & Co-Director | Roseville, CA

- Developed skateboarding curriculum from scratch; led summer camps across multiple sports for ages 5-13.
- Managed and trained a team of 3-4 coaches, increasing overall program completion rates by 15% through improved curriculum delivery and parent communication.

Target November 2021 – August 2023

General Merchandise Associate | Folsom, CA

- Managed inventory across 6 departments; handled fulfillment of online orders and maintained high customer satisfaction scores in a fast-paced retail environment. Conducted sales for high end tech products.

Folsom Youth Basketball Association August 2021 – May 2022

Official | Folsom, CA

- Officiated youth basketball games (grades 3–5); trained 10–20 new officials and led a team of 2–3 per game. Managed players, parents, and coaches to ensure safety and fairness.
